

ARIZONA HUMANE SOCIETY

Improving the Lives of Animals Since 1957

January 5, 2012

Ms. Susanne Ingram

Phoenix, AZ 85040-2949

Dear Ms. Ingram,

We want to “paws” to let you know that when you gave your gift to the Arizona Humane Society, you did more than express generosity toward animals. You helped reunite a lost dog with its owner. You helped rescue an animal from unsuitable conditions. You helped control pet overpopulation through spaying and neutering. You helped give an animal a new home.

Since 1957, the Arizona Humane Society has helped hundreds of thousands of animals by providing innovative, low-cost programs and services, field rescues and public clinics. Any donation, large or small, makes an enormous difference in the life of an animal, which is why we are so grateful for your support.

Because of gifts from individuals like you, in the past year we were able to:

- Take in over 44,000 animals, regardless of their breed, age or medical condition
- Respond to almost 23,000 calls for help for homeless animals who were sick, injured abused, abandoned or in need of rescue
- Give a new “leash” on life to nearly 13,000 homeless pets through our Second Chance Animal Hospital™
- Perform more than 20,000 spay and neuter surgeries to help prevent pet overpopulation
- Reach out to numerous schools and organizations in an effort to spread the humane message to our community

As you can see, your gift supports many of our important programs and efforts, allowing us to continue to be the leading animal welfare agency in Arizona. Because we receive no federal, state or governmental funding, our relationship with you is very important.

You are a valued contributor to the Arizona Humane Society, and we appreciate your continued support.

Sincerely,

Guy Collison
Executive Director
